Month of Rest

This year, marks the third year we have taken a break in July from the regular routine at Emmanuel. For adults, there will not be any regular Wednesday night activities or Sunday night activities. However, Sunday mornings will remain the same and yet become so important. We will gather for our fellowship breakfast...we will meet in small groups to study God's Word...then we will gather as a church family to worship God. This July break provides some rest for the faithful. In August, we will return to our regular schedule and we will look to the Fall as we seek to revitalize our church. Join me in praying for Emmanuel and our Fall activities.

See you Sunday morning!
Bro. David

As last reported we took 61 children and 10 sponsors to Pre-Teen Camp. With the theme of *Pass It On*, each one of us was encouraged not just to hear the Word of God but to share His Light by living for Him. It was a good week. We had 13 decisions with 5 for salvation and 2 others wanting to follow through with baptism. It is always exciting to see God working in the midst of our group.

I am so grateful for the way Emmanuel financially supports the Children's Ministry! The amazing gifts you made at the Dessert Auction and the continued gifts that have come in overwhelms me. Thank you! These women and men went with us to camp and without each one of them, we could not have had this great week and so I do thank you: Maxine Adams, Cheryl Bell, Naomi Dempsey, LeaAnne Hume, Dana Nickels, Whitney Roper, Stephanie Warner, Aaron Lawrence, and David Lawrence. I will also give a special thank you to Bro. David for his unfailing support of our children and his desire to spend the week with them. As a fellow co-worker I am blessed!

Again Jesus spoke to them, saying, "I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life." John 8:12

Our challenge Emmanuel is to continue to share the Light of Christ every way we can.

Singing His Praises!

Mark

Matthew 10:42, "And whoever gives one of these little ones even a cup of cold water because he is a disciple, truly, I say to you, he will by no means lose his reward."

As I sit on the other side of the world, handing bibles, gospel tracks, DVD's of the Magdalena Film that presents the gospel to them. We are interacting with North African Muslims, Spanish, Spanish Gypsies, Refugees, Latins, Romanians and IMB Missionaries. So much diversity is here in this country and yet, God is in Control and God has a mission to love all for these people through our mission's team this week. We give them the word of God and allow them to contact the mission team when the Holy Spirit begins working in their heart. The Gospel works the same way at home. We use many ways to plant seeds and as those seeds take root we need to put ourselves in the lives of the lost so that we can tend to them as they grow. As all of our Pastors have been talking about for months, this is Discipleship. EBC Family keep praying, keep planting, keep growing.
