Anyone with dollies are asked to bring them. Please help get the word out! This is a great way for our churches to partner with the schools and show the love of Christ!

EBC Family,

I had a very refreshing time with Carey and our kids last week in SE Texas. It's funny how "home" moves around. Even though we were staying with church friends, it felt like home because my family was there. In the same way, our new house in Weatherford doesn't yet feel like home - but it will once Carey, Madi, Emma, Payton, and Alli join me this summer. God intends for something similar to happen among His people. On this side of heaven, "Home" for us is where God's people gather. The church is to be a little taste of heaven, a sample of the Kingdom life in the age to come. You have already begun to feel like my spiritual "Home". I'm looking forward to growing in Christ together with you in the days to come and inviting others in our city who are currently far from God to join our spiritual Family.

I'm thankful for you my brothers and sisters,
Pastor Clint

♪ Notes ♪ from ♪ Mark ♪

God is gracious and kind. Those words are not earth shaking. You have heard them many times and hopefully have experienced them in a memorable way many times in your life. In our lives we make mistakes. We say things we don't mean. We hurt without thinking. Sometimes our actions are intentional, we can truly be a mean uncaring person. We are the farthest thing from gracious and kind. What we deserve is to be disciplined sometimes severely from God who has commanded us to love one another. So is God kind when we are disciplined? Yes even though it is painful. God forgives. He doesn't just forgive He loves and restores. In our times of hurt we may want that restoration to be immediate but we learn that it is in God's time. It is only through true repentance where we see the folly of our sin, know the shame it causes to us and to others, and begin the act of changing for if we don't begin to change repentance has not occurred. Will we fail again – probably. Will God forgive – absolutely. Can we trust His love and grace to sustain us and see us through – always. God is good and He will not change. Put your trust in God and God alone. Love God and one another that is who we are and what we must do as children of God.

Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving. Colossians 2:6-7
