## Pastor's Notes

Emmanuel Family,

I want to give you an update on our search for a Minister of Worship. Our ad should be posted this week in the Baptist Messenger. Hopefully we will get some good responses from that. I am contacting people I know from around the state, looking for both interim and permanent leadership. But it's a slow process.

Speaking of our interim leadership, Devin Latray will be leading worship for us for the month of September. I've lined up some others to lead us for the month of October. Please make this a matter of prayer. Pray for a leader for our Worship Ministry, both in the interim and then permanently. I know our Praise Choir is eager to help lead in worship again, but that's a challenge without consistent leadership. Pray that God will direct the right person to us for this position and that in the mean time, we will wait graciously but expectantly on Him.

If you have any thoughts or ideas in this area, please come and visit with me. I'm grateful to be here serving and waiting with you.

Pastor Clint

### Search for New Ministers

Please be in prayer for our Personnel Committee and Pastor as they search for two new staff members. We are searching for a Part Time Minister of Worship and a Part Time Minister to Families with Children. If you or someone you know would like to apply for either position, please send a resume to [clint@ebcweatherford.com](mailto:clint@ebcweatherford.com)

In Student ministry, we have 3 seasons not four. We have Fall, 2nd Semester and summer. At the end of every summer, we sit down with our students and ask them where they feel they are in their Discipleship Walk with Christ and where they are struggling and where they feel God is moving them. This allows us to really answer the questions that they are actually asking. This summer, as we discussed that with our Youth age students, we got many questions and requests for what does real life discipleship look like. On one side, it did communicate that we are doing a good job on teaching our students that they need to be living worthy of their calling (Eph 4:1). On the other hand, they are wanting to know what it actually looks like.

We will be walking through a study this month with them about Bearing Fruit (Gal 5:22-23). Along with our study, if you get the chance to speak with our students, please share with them stories in your own lives about how God is at work in your own life and as always, please pray for our students.
