Let's pray for God to bind Satan as they set out to prayerfully find God's man to serve as our next Pastor. Let's pray for our next pastor and the process of finding and calling him.

Competence

In everything we do, we ought to seek competence…to do things right and for the glory of God. The definition of competence is "the ability to do something successfully or efficiently." God is not mediocre and neither should we be mediocre. We should not want to just get by…to do the minimum…to be so so. We should put forth the effort to do things right, and to do them right the first time. Let's not waste our efforts…let's not waste our time…let's be competent and efficient in our work for the Lord. And if we make a bad decision, or make a mistake, let's learn from it and not repeat it. God deserves our best.

♫ Notes ♪ from ♪ Mark ♫

We find strength in that which is simple. It is not in the most complex and difficult that we find peace or rest. So many of us try to stay busy in order to accomplish or achieve a feeling of satisfaction. But we come away feeling weary. So we think we aren't doing enough, not busy enough and we try harder. We chase after our possessions. We immerse ourselve in our passion and we build our pride. We try, really try so very hard and in the end we are not at rest, there is no peace.

Our world likes to boast about busyness. Being busy is a sign of importance so if we are busy we must be important. Being busy is not a sin, it has always been what we are busy about that brings problems. If we are constantly chasing things whether that is work or leaisure and that keeps us busy then that is not pleasing to God. The pursuit of these *dead* things will never bring fulfillment. So what do we do? Pursue God. Spend time with Him. Read His Word, trust and then live it. Give God time and honor first. The idea is simple, putting it into practice is life-consuming. Being busy about the work of God is God's call on our life.

For to the one who pleases him God has given wisdom and knowledge and joy, but to the sinner he has given the business of gathering and collecting, only to give to one who pleases God. This also is vanity and a striving after wind.

Preach the Word, Teach the Body, Reach the World

This week has begun the summer breakdown. Much of my summer planning has been sporadic up and secondary until now. This is the week where focus turned to study, writing, planning and of course prayer. A week from Friday I will head to the first of many events this summer focused on growing students' relationships with Christ and calling them to action because of those relationships. Super Summer, Vacation Bible School, Preteen Camp, God Students: Madrid and Falls Creek. Will all be great events not only for those that attend and those that lead but for us as a church family as we pray that God would continue to do great and mighty things in and around Emmanuel, Weatherford. Please commit to pray for these events, leaders, workers, staff and students.

Commit your work to the LORD, and your plans will be established. Proverbs 16:3 (ESV)
