Pastor's Notes:

EBC Family,

There has been some talk about cautiously reopening our state in the month of May. We will be listening to our government and health officials to plan accordingly. As we look forward to gathering once again as a Church Family, keep in mind that things will be different. We will most likely still be practicing some form of social distancing and limiting close contact. We will post updates through Facebook, our text group, and our email group. Call the church office to join the email or text group. (Text group is primarily for those without internet access).

Our Finance Committee had been planning a campaign in May to reduce the mortgage on our building. But in light of the COVID-19 shutdown, we believe it's wise to postpone that campaign. But this is a good time to remind you that anytime you want to contribute to the principal of our loan balance, you can give to the building fund. We currently owe just under \$1.2 million.

I want you to know that I have been very encouraged by the way that our EBC Family cares for one another. As I have spoken with many of our senior citizens, I have heard repeated stories of how well they are being cared for and how church members are checking on them frequently. Please keep up the good work of caring for each other even though it's from a distance. I eagerly look forward to the time when we can gather to worship in the same building once more.

I'm grateful to be part of the EBC Family,
Pastor Clint

Q. 26. How was Christ Humiliated?

A. Christ was humiliated: by being born as a man and born into a poor family; by being made subject to the law and suffering the miseries of this life, the Anger of God, and the curse of death on the cross; and by being buried and remaining under the power of death for a time.
