Pastor's Notes:

EBC Family,

It has been good to see you the past couple of Sundays! We will continue to hold 2 Sunday Worship Services for the foreseeable future. But we need to make an adjustment as our Late Service has been close to capacity. We need 30-40 people to move from the Late Service to the Early Service. The Early Service is now open to anyone, however, we will have a separate entrance and seating section for those who are continuing to isolate. At the 9:00 Service, the Northeast Entrance (next to the Fellowship Hall) and the seating on the north side of the Worship Center will be reserved for those who are still isolating from normal activity. That section will be roped off and we ask that no one from the south or center sections visit the north section or the men's restroom at that entrance. Thank you for being flexible and gracious as we work through this process of re-opening.

We will have a short quarterly business meeting at the end of both services this Sunday. I am excited to share that the Personnel and Building and Grounds Committees are recommending that we hire Joe McAdams as our Maintenance Man. Joe is a member of our church and the Metscher SS Class. Joe and his family will be living in the church rental property on Kansas as compensation for his service. If you have any questions about this proposal please call me or Derrick Barker this week. I believe this arrangement will be a blessing to our church Family as well as to the McAdams family.

I'm grateful to be part of the EBC Family!
