This next Winter I will be coming up on my 20th year in ministry and I can definitely tell you this has been one of the most unique, difficult and stressful summers I have even been a part of. Seems like every two weeks since April there has been some sort of detour sign placed on the road and we have had to make some sort of change to planning. Whether it was Falls Creek, Super Summer, Vacation Bible School, Pre-teen camp, Weekly Sunday Worship, Sunday School, Mission Trips or Wednesday Youth Midweek nothing is what we thought, and nothing went on without change this summer.

So, where do we go from here? Every week, I find myself praying, not for normality, but asking God to just show me the next step. We have tried every week to meet as church leadership and pray that God would guide our next steps. Not steps that we want, but steps that He wishes us to go. This has not been easy, so many families, so many different points of view, so many areas of concern.

The truth is, we are not always given a 5-year plan. We are not always shown the next 3 months ahead. We do however know, as the old Gospel song says, let's just take this, One Day at A Time.

One day at a time sweet Jesus that's all I'm asking from you; Give me the strength to do every day what I have to do. Yesterday's gone sweet Jesus and tomorrow may never be mine; So for my sake teach me to take one day at a time.
