Pastor's Notes:

Church Family,

I wanted to give you an update from Youth Camp this past week. A sponsor from another church was notified that he had come into contact with an individual who had tested positive for COVID. He left camp immediately, was tested and the test came back negative. The next day, he developed symptoms, was retested, and tested positive.

As far as the EBC group, our kids were never in direct contact with this individual. Medical professionals we have consulted with and the CDC guidelines do not require our students to quarantine. However, we are requesting that our students only attend the 10:45 service this week as well as wear masks and practice social distancing.

3 of our sponsors (Roger, Jake, and Nicholas) had limited interaction with the individual who tested positive. Those 3 will quarantine and not attend our services this weekend as a precaution.

We will have both our 9:00 and 10:45 services this Sunday morning. If you have any questions or concerns feel free to contact me.

Sincerely,
Pastor Clint
