Emmanuel Family,

I'm writing to you from the confines of my home. Both Carey and I contracted COVID last week. Her symptoms started on Wednesday and mine on Thursday. So we are quarantining in our house and isolating from our kids. Thank you to those who brought us a meal this weekend! That has been a blessing for our family. (Especially for Payton and Alli who were grateful to have a break from cooking!)

I'm aware of a dozen church members who have contracted COVID over the past week or so. Because of that, we are going to hold services ONLINE ONLY again this coming Sunday - October 11. Please be praying against the spread of the virus among our Church Family and for mild symptoms and health for those who have been affected.

Since you couldn't gather with your Grow Group on Sunday, reach out to them this week and see how they're doing. Staying connected to your Church Family will be both a ministry to them and a blessing for you.

These are strange times with so many disruptions and troubles. Spend time today with Your Father who is not surprised by these things. Trust Him and look for ways to be a blessing to those He puts in your path. I'm grateful to be part of the EBC Family and look forward to seeing you in person on October 18th,  
Pastor Clint
