EBC Family,

I hoped you enjoyed the snow on Sunday as much as I did! I would have preferred to get the snow Sunday afternoon so that we could have gathered together for Morning Worship, but I'm grateful that we were able to have a virtual service. I'd like to reiterate how grateful I am for Pastor Roger and our AV Team who diligently work each week to stream and record our services. I know that the sound quality of our stream needs to get better. That's a matter of getting better equipment. Roger is working to find a better system for us that is affordable and provides us with better sound quality.

We have rescheduled our Year End Business Meeting for this coming Sunday (12/20) directly after the morning service. We will vote on 2 items; our 2021 Budget and 2021 Committee appointments. You can pick up the 2 proposals in the foyer outside the Worship Center.

I'm so glad that even in the midst of this season, we continue to have new guests each Sunday morning. Let me encourage you to introduce yourself to those sitting around you and get to know them. If you meet new visitors, flag me down and introduce them to me. Let's make sure that those who make the effort to come worship with us are warmly greeted and feel welcomed among us.

It is a joy to be part of the EBC Family,
Pastor Clint
