EBC Family,

We talked Sunday about staying focused on the most important thing - telling other people about Jesus. We looked at the Apostle Paul's example in Philippians 1:12-18 of how he stayed focused on the most important thing in spite of adverse circumstances. He could have easily used prison as an excuse not to share the gospel, but instead he saw it as an opportunity to share the gospel with new people!

What difficult circumstance in your life right now seems like a roadblock to talk to people about Jesus? Maybe being stuck at home because of COVID? God has still given you opportunities to interact with a few people. He's provided a phone for you to call people. His command to share Jesus hasn't been suspended just because of quarantine. Pray through the people you know and ask God who you can share Jesus with even in your difficult circumstances.

Let me also encourage you to pray for one other thing. We are looking for a Minister of Worship. Please pray that God will send us a person soon who will fit well with our Church Family and lead us well in the areas of music and worship. If you know of someone who might be a good fit, please pass their name on to me or our Personnel Committee.

I'm grateful to be part of the EBC Family,
Pastor Clint
