EBC Family,

I hope you are staying warm this week. The frigid temperatures caused a leak in our fire suppression system on the north side of the Worship Center. We've contained it and cleaned it up as best we could, but repairs will have to wait until the temperature is above freezing. Not sure yet how that will affect Sunday morning worship this week, but we'll keep you posted.

I recently discovered that the Carter family address in the church directory shows a P.O Box number. I'm not sure where that came from as we've never had a P.O. Box in Weatherford. The rest of the address is listed correctly, just don't include the PO Box.

I missed worshipping with you in person this last Sunday. God willing, we can meet in person this coming Sunday as we look at Philippians 2:12-13 together. These 2 verses help us make sense of the sometimes perplexing relationship between our work and God's work in us. I think you'll find it helpful and encouraging. Hope to see you Sunday!
