EBC Family,

You've probably noticed that we have changed our practice for the Invitation at the end of our Sunday morning service. We used to have an invitation song right after the sermon where I would invite people to come forward for decisions. COVID required us to change for two reasons: 1) that practice does not follow social distancing guidelines, and 2) we can't understand one another over the music if we are wearing masks. Hopefully as the spread of the virus slows, we will be able to return to our former practice. In the meantime, that hasn't stopped people from coming forward to visit with me after the service. We had 8 people join our church this Fall!

For those who weren't able to attend the January 31st Business Meeting, we have the opportunity to share our facility with a Hispanic Church. Our Church Ministry Staff and Deacons talked through the issue and agreed to offer them space to worship, free of charge, in the Fellowship Hall on Sunday afternoons and Friday nights. We are trying it out for a month and if all goes well, we will draw up a building usage agreement. I'm grateful to serve with a Church Family who understands that our facilities are a gift from God, not just for our good, but also for the good of others. Galatians 6:10 says, "Therefore, as we have opportunity, let us work for the good of all, especially for those who belong to the household of faith."

It's a joy to be part of the EBC Family,
Pastor Clint
