EBC Family,

I hope you were encouraged last night at our Ice Cream Fellowship by our International Mission Board Missionaries. It was good for us to learn about the challenges our brothers and sisters in Christ are facing in other parts of the world. As our friends mentioned last night, anytime you turn on the TV to watch the Olympics the next 2 weeks, take a moment to pray for the church in Japan. Less than 1% of Japanese people identify as Christians. If you visit [imb.org](http://imb.org) you can find articles and prayer guides to help you pray specifically for the people of Japan this week.

I want to extend my gratitude to Bernard Boeckman and our Building and Grounds Committee. I'm grateful for their work in preparing and presenting us with the proposals to remodel the north section of our building. Thank you to many of you for attending the Quarterly Business Meeting last night. It is a blessing to belong to a church where the members make an effort to be informed and at the same time trust their committees to make wise decisions. I can't wait to see the outcome of the remodel! Be on the lookout for ways to serve over the next couple of months as we begin to work on the projects!

On Sunday night, August 8, we will have a time of Songs and Prayers at 6:00 p.m. If you have a song of praise you would like to share - either vocally or instrumentally, please call the church office and let me know. I'm looking forward to singing and praying with you, as well as being encouraged by the music God has put on your heart.

It is a joy to be a part of the EBC Family!

Pastor Clint
