EBC Family,

I'm thanking God today for blessing us with a beautiful Sunday morning for our worship service at Crowder Lake! The weather couldn't have been more perfect and breakfast was delicious! Thank you for bringing food to share and thank you to the Kitchen Team for getting everything set up for us! I had several of you mention that we should do that again sometime, and I agree. I'm grateful for time in God's House yesterday morning. Remember that His House isn't a building, it's wherever His people gather - and yesterday we gathered in His House at the Lake!

We've got 2 more weeks of studying Baptist Heritage on Sunday nights. This week we'll look at Baptist History in the 1800's including the beginning of the Southern Baptist Convention. I hope that these lessons have been informative and helpful for you to understand what makes a Baptist. There is a lot of misinformation about Baptists. I expect that if you were to ask the average non-church attender what makes someone a Baptist they would say things like: they don't drink alcohol, they don't dance, they are against homosexual marriage and abortion. But none of those things has anything to do with making a person a Baptist. The things that make us Baptist are our commitment to God's Word as our primary authority, our commitment to regenerate membership in the church, our commitment to believer's baptism, our commitment to congregational polity - these are the things that make us Baptist. I hope you'll join us for these last 2 weeks so that you will be better informed to answer the question, "Why Am I A Baptist?".

I'm grateful to be a part of the EBC Family,

Pastor Clint
