EBC Family,

Thank you for supporting our Women on Mission ministry this weekend. I heard that from the Bazaar and Luncheon they raised \$3,300! I'm grateful for these ladies and how they provide our church with regular opportunities to bless our community and our world. If you are looking for a hands-on way to be involved in serving others, you should join this group!

Some of you might have heard that the Carters are moving. That is true. We sold our house and are moving into a rental property this week. Before you worry that y'all might have scared us off, I want to let you know that it's quite the opposite. After two and a half years with you, our prayer is that God will grant us an extended stay in Weatherford. We'd like to find a house that will work for our family in the coming years. I expect all of my children will be out of the house in the next 6-7 years, but I want to have a place for them to come back to when they bring spouses and grandchildren to visit. We're also looking for a house that will enable us to host large groups in our home. There's nothing on the market right now that meets those two desires, so we're going to rent for a while until something opens up.

I hope to see you at Crowder Lake this Sunday morning for our Potluck Brunch and Worship Service! It's a joy to be a part of the EBC Family,

Pastor Clint

Thank you,

What an amazing God we serve! He has blessed Emmanuel with talented and giving people! Women on Mission would like to thank ALL who participated in the past weekend Fall Bazaar. Your craft and food donations were so appreciated. Thank you for sharing your spiritual gift and talents. To those who bought items and gave donations in support of mission projects, thank you! To those who donated to the taco soup meal and to those who helped set up, serve and clean-you made a difference. Thank You! All that to say that Emmanuel's generous giving made over \$3300 for mission projects. These projects will be carried out both locally and globally! Praise God to whom ALL blessing flow...
