EBC Family,

I am grateful for Craig and Roger. Carey said last night that this might be the first time we've served on a team of ministers where each one is competent and capable of both preaching and leading worship. She's right, and that is a blessing. After my wisdom teeth extraction, it would have been a challenge to preach yesterday. I love that I could trust both of them with Sunday morning leadership. If you haven't told either of them recently that you are grateful for them, please do!

I am also grateful for all the preparation work of our Women on Mission to get us ready for packing shoeboxes last night. Thank you ladies for organizing the packing process to run smoothly and for facilitating an opportunity for our church to Bless the World together through Operation Christmas Child. We had an enjoyable time of working and fellowshiping as a Church Family.

Please make plans to join us for our EBC Family Thanksgiving Dinner this coming Sunday night at 6:00 in the Gym. Each family needs to bring 2 sides, or a side and a dessert. The church will provide the turkey, dressing, and drinks. During dinner, we will have a time for people to share testimonies of gratitude. Please consider sharing ways that you have seen God's goodness and how you are grateful for that.

I'm grateful to belong to the EBC Family,

Pastor Clint
