EBC Family,

I want to express our gratitude as a Church Family to our Kitchen Team! Thank you for hosting our Thanksgiving Dinner. Preparing the main courses for a Thanksgiving meal for 200 people is no small task. Thank you for your hard work. Thank you for serving our Church Family so well. We are grateful for you! This Sunday we will wrap up our short series on why Church Membership Matters. Let me encourage you to evaluate whether you are actively participating in each of these purposes. Are you an active Witness for Jesus in our community? Are you using the gifts and abilities God has given you to Minister to your brothers and sisters in Christ? Are you inviting Accountability from other Christians into your life and encouraging others? Are you actively Growing in spiritual maturity and discernment?

Attending on Sunday mornings for worship is important, but that's not where we live out these purposes for membership. Living out these 4 purposes of Church Membership happens outside of Sunday mornings. It happens in the informal moments of everyday life as you intentionally spend time with other believers to encourage their faith. Let me encourage you to pursue these purposes of membership so that we might Grow Together!

I'm grateful to be a member of the EBC Family,

Pastor Clint
