January 11, 2022

EBC Family,

Sunday night, January 23, we will start a 13-week book study called "A Praying Life". Over the course of my Christian life, I have read several books on prayer - this one has affected the greatest change in both my understanding and practice of prayer. Every week there will be a couple of short chapters to read in preparation for our discussion on Sunday nights. The books will be available at the Welcome Desk this Sunday morning for \$10 a piece. You can also get a Kindle version of the book from Amazon if you prefer to use an e-reader. I believe that this study can be profitable for every believer. I can't wait to share it with you. I have been encouraged by your response to pay down the principal on our building debt below a million dollars. As of today, we have contributed over \$55,000 toward our goal of \$83,000. If you haven't given yet, please prayerfully consider what you can give between now and the end of February. Once we reach our goal, we will begin paying more in principal than in interest on all future payments. We have already moved our final pay-off date forward 12 months! Thank you for giving yourselves first to God, and then to this effort.

It is a joy to serve our EBC Family,  
Pastor Clint
