EBC Family,

We have the final tally. Over the course of our 3 month campaign to lower our mortgage balance, we blew past our goal of \$83,000! We collectively gave \$112,662.84! I praise God for your generous and sacrificial giving! Thank you for taking up the challenge. As of today, our mortgage balance now sits at \$969,510.66. From now on, we will pay more in principle than in interest each month for our regular payments!

This is a big week for the Carter family. We are moving into the house we've been remodeling! It has been a tiring, but rewarding 3 month journey. We are deeply grateful for this home and for those of you who have prayed along with us for God to provide a space that would be good for hosting ministry as well as fit our family well. The "to do" list is still long, but that will keep me out of trouble in the coming months ;) We can't wait to share the house with you. Drop by sometime to see it!

Don't forget to make and bring a dessert this Sunday for the Dessert Auction and lunch. It's always a good time of fellowship and fun.

I'm grateful for you Church Family,

Pastor Clint
